Sure, if OITA is ok with using OAR's room they are welcome to do so – its WJC-N 5400.

Will OITA be sending the scheduler and working to confirm the time with the requestor, as well as getting the group names to the security desk? Or is that something being handed off to OAR?

Glad Janet can make it. I am including Andrew Baca and Claudia Smith on this email as well. The letter that lead to the request is attached. The request came from Rollie Willson (info below) on behalf of the tribe via email to Jane Nishida late last Friday. She responded this morning and set up a time with him **1:00 Wednesday November 16**. I think there is still a need for a location, so if the OAR main conference room is available I am sure they will appreciate us if we have a room and can set up the details. I know this is more than what you expected however so let me know if it is an issue and I will work with OITA to find the resources.

For OAR it would be OAQPS staff via video/phone: Mike Koerber, David Cozzie, Chris Stoneman, Greg Nizich, Laura McKelvey, Erica Roberts, Chebryll Edwards and Martin Husk

Region 8 staff would be Callie Videtech,, Monica Morales, Claudia Smith

OITA staff would be Andrew Baca, Andrew Byrne, Jane Nishida and Joann Chase.

thank you for the prompt attention to this

Pat

Callie and Andrew

It looks like Jane is working to lock in 1:00 pm this Wednesday for this meeting request. I am scrambling to get OAR staff and leadership to be ready. Callie are you familiar with this issue, it appears to be on the FIP. Andrew, I asked Jane not to lock in the time until we all can make sure we have the appropriate folks at the table then I realized you were not in the loop on the email chain either.
